Guidelines to Publish Articles on Indexed Journals

1) Articles must be at least 5000 words and maximum 7000 words.

2) Articles must address all of the following elements: Title, Abstract, Purpose of the article, Methods, Results, Discussion, Conclusions, and Recommendations / future directions and references.

3) After the full fee is paid, the review process begins, at the end of the review process the article may be accepted or rejected. The additional fee paid for the rejected article is refunded to the authors.

4) If there are journals with agreements that are indexed by SSCI, AHCI, SCI, SCI-Expanded the article registration fee is different (please ask). The bank transaction charges belong to the author/s.

5) For the review process, each author suggests at least 3 PhD faculty members who work in the related field. Name surname, affiliation and emails of the members should be addressed. The guest editor doesnot have to submit the article to these reviewers.

6) Accepted articles are published in 2023.

7) Providing the proofreading certificate, Turnitin certificate (max 10%) and implementing the template of the related journal are under the responsibility of the author/s.

8) The contact author will be informed regarding the name of the journal when the procedure (review process and payment) is finalized and when the template is sent out.

9) The opportunity is available only for the participants of the conference.

10) Please contact Conference Secretariat for more information.
